

WOLLO COMMUNITY SEED BANK

Donation Form

This year, Two Villages has partnered with USC Canada to raise funds for the Wollo Community Seed Bank in the Central Highlands of Ethiopia. The goal is simple: to support the efforts of local farmers and help achieve food supply security.

The project seeks to construct a seed bank compound in Wollo District, ensuring a space that will serve many purposes beyond its primary goal of seed storage and preservation. It will be a community centre. It will house a library. It will serve as a meeting place and training area. Local farmers will share knowledge of local seed varieties and traditional farming methods. In short, the seed bank will help community members work together to ensure long-term sustainability.

Thank You for Sustaining our Work!

YES! I would like to receive email updates and photos about the progress of the Seed Bank Project.
