MHA to Join Students at Holy Name of Mary Academy to Celebrate Rice Day

Darin King, MHA for the District of Grand Bank and Parliamentary Secretary to the Minister of Education, will join students at Holy Name of Mary Academy in Lawn, to celebrate Rice Day 2008, tomorrow (Wednesday, October 15) at 11:00 a.m.

Rice will be on the lunch menu for many students throughout Newfoundland and Labrador at that time as schools participate in Rice Day 2008.

This event is sponsored by Two Villages, a province-wide, not-for-profit organization, which works to bring changes to third-world communities and in turn enables the development of students as global citizens and strong community leaders. On Rice Day, students will eat rice for lunch and donate their lunch money towards the creation of a seed bank in Ethiopia.
